

On The Auction Block

From time to time seized, forfeited or replaced vehicles and equipment become available for sale to the public. Rather than holding items for extended periods of time and scheduling an auction, the Madison County Sheriff uses an on-line auction site to dispose of property. Presently several vehicles and a trailer are in line for posting to the site. Some have been posted and several will be added in the next few days.

The site is GovDeals and may be found at www.govdeals.com or a direct link to the property offered, can be accessed by the link on the Sheriff's home page. www.madisonsheriff.org

These vehicles are available for public inspection, during daylight hours, at the Sheriff's Office Operations Center, 222 Garfield Ave. London, OH. 43140. As well, be sure to read the descriptions and terms of sale. Other equipment, including new & used air conditioners, air compressors, tools and computer equipment will be offered in the near future.

Individuals may register, at no cost, to purchase offered property on the GovDeals site, which may take 24 to 48 hours for approval by GovDeals. From then bidding is as easy as any auction.
